IMPACT REPORT 2024

Schools Reached

- Miskoosepi School, Bloodvein, MB
- Eagle View Elementary School, Port Hardy, BC
- Pelican Narrows, SK
- Father Porte Memorial Denesuline School, Black Lake, SK
- Cat Lake First Nations, ON

Land Based Learning

- Since we began supporting access to winter land based learning gear in 2022, we have supported 8 schools and programs with boots, fleece-wear, fishing rods, lures, ice fishing gear, gas augers, ice fishing tents, tipis's and more.
- We believe in the value of experience that youth gain by connecting them to the land and to their traditional language. Youth learn valuable skills safely, with good guides and with good gear to keep them warm and dry.

- Cat Lake First Nations, Ontario 2024
